On or about June 4, 2016, Hai (Keenan) Dinh, operating as an employee of Angel's Memorials Inc., entered into a contract with an Edmonton-area consumer for the order, engraving, delivery and installation of a Black Granite 60" x 8" x 36" monument with a base measuring 72" x 14" x 10".

Following the death of a family member, this consumer entered into a contract for the aforementioned monument. The design of the monument included the name of the deceased, along with his date of birth, date of death, an epitaph and design. Also included on the contract were pre-need components for two other family members whose names and respective dates of birth would be pre-engraved on the same monument.

The contract entered into does not contain a detailed listing of the supplies or services that were to be provided. The cost of the contract is identified only as "Subtotal \$14,250 – GST \$712.50 – Total \$14,692.50". The contract asks for 50% of the total cost as a deposit. The costs for transportation and engraving are not identified. Delivery and installation are quoted as "included".
